### Adam Baldwin

**How long a member:** 2 years

**Service:** 9:00 a.m. and 11:15 a.m.

**Trinity Passion:** I love so many aspects of our shared life at Trinity, but those ministries about which I feel most passionate are those especially connected to the Cathedral's mission as a center of culture and civic life in the community. These include the many unique opportunities for learning and discussion: the Cathedral's nascent Theological Debate Society, the Arts Outreach program, the celebrated Insights Lecture Series, or classes like "Christian Faith & Modern Science" and "Living the Questions," taught for so many years by our dearly departed Dr. Robert Johnston. ## THE TOWNSEND AND BROOKS WOLFE HEARING CHARITABLE TRUST

The Townsend and Brooks Wolfe Hearing Charitable Trust was established with the Arkansas Community Foundation by Brooks Wolfe to honor the memory and philanthropic spirit of her late husband Townsend. The Community Foundation will partner with Trinity in the distribution of these funds to needy and deserving recipients. The trust has already supplied hearing aids for adults with limited fixed income; it has installed sound-field systems in the kindergarten classrooms of Little Rock Preparatory Academy and fitted nursing home residents with assistive listening devices. If you know of someone who could benefit from such services, contact Brooks Wolfe at 501-410-4455 to inquire further. If you would like to contribute to the fund, contact the Arkansas Community Foundation and ask how to contribute to the Townsend and Brooks Wolfe Hearing Charitable Trust.

## THEOLOGY 501 - JANUARY 9

What happens when we pray? Is there a right or wrong way to pray? Join Betsy Baumgarten in a conversation about prayer. We'll look at a few different ways to pray while also wrestling with the theology of offering up prayer to God. Betsy Baumgarten is an Episcopal Priest who serves as the Executive Co-Director of Camp Mitchell, our camp and conference center on Petit Jean Mountain. Join us on Tuesday, January 9 at Cregeen's in North Little Rock from 7:00 - 8:00 p.m.

## Annual Meeting - January 28

Join us on Sunday, January 28 at 10:15 in Morrison Hall for the Annual Meeting and a complimentary brunch.

## Second Annual Episcopal Men's Retreat and Camp Mitchell Volunteers

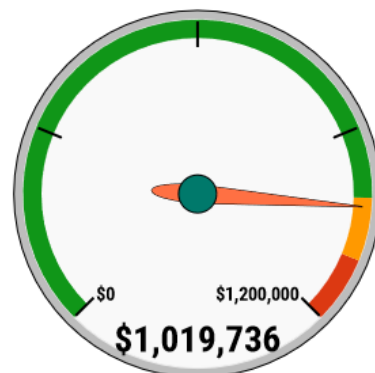

Plans are being made for the Second Annual Episcopal Men's Retreat to be held at Camp Mitchell, Friday, April 6 through noon Sunday, April 8th. I would appreciate someone (or several) from your Parish help promote this retreat locally. Those participating in 2017 felt strongly that we should make this an annual affair.

Secondly, I lead a group, (Camp Mitchell Volunteer Corp) made up of men, women, and teens that meet at 9:00 a.m. the second Saturday of each month at Camp Mitchell to help with camp maintenance. We scrape, paint, repair, build, fell and cut up trees, wash windows, maintain the trails, work in the gardens.... anything Camp Mitchell needs done. Over the last 2 years we have given roughly 2000 hours of volunteer work. We don't expect anyone to work every month, some do but others may work one, two or three a year. Lunch is provided. No experience is needed. We usually are finished between 3:00-4:00 p.m.

Anyone interested in one or both of these projects, call Dr. Harold Hedges at 501-951-7639 or email him at [bhbhedges3@gmail.com](mailto:bhbhedges3@gmail.com).

# Music at Trinity

## Music Notes from Victoria

Thanks so much to all of you who have made this Advent season so very special this year. The children's choirs have been a joy, singing beautifully in our Sunday morning services and for Lisa Corry's ordination. Many have noted that this ordination was beautiful because of the person being confirmed and because of the Seraphim Singers leadership in the liturgy

The next several months are going to be very active for the music department at Trinity. The first of the four organ re-dedication recitals will be held on Sunday, January 21st following the 4:00 Evensong. Our recitalist, Daniel Beckwith, has been organist or associate organist at most every major Episcopal Parish in New York City including the Cathedral of St. John the Divine. He currently is principal organist at St. Ignatious Loyola Roman Catholic Church, famous for being Jackie Kennedy's home parish. Danny has taught at Westminster Choir College, has conducted the orchestra for several operas at the Metropolitan Opera House, has been a guest conductor for orchestras all over the world, and has served as personal accompanist for great singers such as Marilyn Horne and Fredrick Von Stade.

Danny has conceived this organ recital as a tour of the Liturgical Year to showcase the changes and capabilities of our newly renovated instrument. The music will be accessible and uplifting. I hope that you all will put this Sunday afternoon on your calendar and join us for the services and for the fabulous celebration party afterwards.

The next three recitals will be equally fantastic so please mark your calendars: Friday night February 23 at 8:00 p.m. (Rob Lehman); Friday night April 27 at 7:00 pm. (Jason Pennington-Sauegy); and Friday night July 13 at 7:00 p.m. (Burton Tidwell).

Our first Chamber music program for 2018 will also happen in January on the 29th "More Tchaikovsky". This program will follow a weekend of the Arkansas Symphony Orchestra presenting symphonic music by the Russian composer. We will present Tchaikovsky's chamber music. Kiril Laskarov and friends will bring us the famous Piano Trio as well as other delightful selections. The time of the concert will be 7:00 p.m. and tickets are \$15 available at the door.

Regular choir rehearsals will start on January 10 with the same schedule; Cherubs 3:30 – 4:15; Seraphims 4:30 – 5:30; Hand Bells 6:00 – 7:00; Cathedral Choir 7:15 – 8:45. Please come join us as we make music for the service of our God in 2018.

## CHILDREN AND FAMILY MINISTRY

The Christmas Pageant was wonderful. Thanks to all who assisted with costumes, reception, preparation workshop, music, etc. Special thanks to director Susan Allen for her dedication to this beloved Cathedral tradition.

You may wonder why we use the Catechesis of the Good Shepherd curriculum in our atria. This is the beginning of a series meant to help you understand a little more about what goes on when you drop your children off on Sunday morning.

### The Characteristics of the Catechesis of the Good Shepherd

What distinguishes The Catechesis of the Good Shepherd from other methods of faith formation? The Characteristics of the Catechesis of the Good Shepherd (or 32 Points of Reflection) represent the principle aspects of this method of catechesis as they have emerged from the observation and work with children by Sofia Cavalletti and Gianna Gobbi. Catechists from around the world from different countries, cultures and socio-economic backgrounds have contributed to these discoveries of the vital needs of children's religious life. These characteristics reflect the constants of this method. This newsletter shares with you the first characteristic:

#### 1. The child, particularly the religious life of the child, is central to the interest and commitment of the catechist of the Good Shepherd.

- The catechist observes and studies the vital needs of the child and the manifestations of those vital needs according to the developmental stage of the child.
- The catechists live with the child a shared religious experience according to the teachings of the gospel: "Except you become as little children, you cannot enter the kingdom of God." (Matthew 18:3)
- The catechist attends to the conditions that are necessary for this life to be experienced and flourish.

#### What is the "religious life" of the child?

The Catechesis of the Good Shepherd gives primary focus to the relationship with God through Jesus and offers a sacred place where the child can be initiated into the religious life. God and the child have a unique relationship with one another, particularly before the age of six. Through the proclamations of the Word, this relationship is affirmed for the child and assists in helping the child to draw nearer to God. To speak about the religious life of the child is to speak about how the child dwells with the mystery of God.

#### How does The Catechesis of the Good Shepherd and the Atrium assist the religious life of the child?

The Atrium allows the child the space to draw closer to God. It is a place where the child can listen to the proclamations of the Good News from the Word of God; meditate on the Word of God and begin to live it according to the child's own rhythm. It is a place for the announcement of the Word of God, a place for celebration and also a place for work. It is an environment in which work becomes meditation and prayer. The child's expression of the religious life is manifested through prayer responses whether silent or aloud, in contemplation, and through artwork.

We need to hear from you: Please let the church office know if you are sick or hospitalized and would like prayers or a clergy visit. Due to HIPPA regulations hospitals cannot release patient information unless you also sign in as an Episcopalian at Trinity Cathedral. LECTURE SERIES

## Bob Goff February 8, 2018

What goals and dreams have you been putting off out of fear or the thought that you can't do it, that it's too hard? Chances are, Bob could talk you out of those thoughts and send you charging into your next adventure. Take it from a guy who had the audacity to put his cell number in the back of his book: there's a huge power in just being present, being available, to those around you. What if you took time for the people in your life? What if you made some audacious plans to rock their lives? Try it and see what happens.

Tickets are \$25 for general seating or \$100 for patron tickets (which include an invitation to the Sponsors & Patrons reception and reserved seating).

The lecture will begin at 6:30 p.m. in the Cathedral, with a reception following in Morrison Hall. Books will be available to purchase and have signed. There will be a Sponsors & Patrons reception prior to the lecture at 5:30 p.m. in Morrison Hall.
