THE TOWNSEND & BROOKS WOLFE HEARING CHARITABLE TRUST

The Townsend and Brooks Wolfe Hearing Charitable Trust was established with the Arkansas Community Foundation by Brooks Wolfe to honor the memory and philanthropic spirit of her late husband Townsend. The Community Foundation will partner with Trinity in the distribution of these funds to needy and deserving recipients. The trust has already supplied hearing aids for adults with limited fixed income. It has installed sound-field systems in the kindergarten classrooms of Little Rock Preparatory Academy and fitted nursing home residents with assistive listening devices. If you know of someone who could benefit from such services, contact Brooks Wolfe at 501-410-4455 to inquire further. If you would like to contribute to the fund, contact the Arkansas Community Foundation and ask how to contribute to the Townsend and Brooks Wolfe Hearing Charitable Trust.

MATTHEW 25 UPDATE

When Jesus said that whatever you do for the least of my brethren you also do for me, he was giving us both a direction and challenge. Jesus was referring to what some call "dirty hands Christians" who give of themselves to help others. Trinity Tuesdays is an opportunity to get your hands dirty helping our team help Saint Francis House with their clothing and donation room. To sign up online go to our invitation page on SignUp.com: <http://signup.com/login/entry/4070041988500300121> or call Mary Wilson at 501-912-8451 to sign up for a time slot between 10:00-4:00. Join the Trinity team in this wonderful ministry!

To help make donations simple we are inviting you to set up a Sunday Sack in your home where you can place items that you want to donate to Saint Francis House or the Stewpot. When the sack is full simply bring it to the church office of the St. Francis box in Morrison Hall, and it will be picked up and distributed. This will give you a place to put those items that you realize that you can live without, but that might make a difference to someone.

The Stewpot needs Men's athletic shoes and blue jeans of any size. Trinity has had a cooking team at the Stewpot every other Monday for over 30 years. This is one of our longest running outreach ministries. For more information call Kay Shurgar at 681-4407.

Coming Up:

In July the school bus box will again be placed in Morrison Hall to gather school supplies to help our neighbors, the children at Little Rock Preparatory Academy. A list of needed supplies will be posted in the bulletins and weekly emails. Think paper, pencils, color crayons, tissues, hand sanitizer, backpacks etc..

Dinner with the Vets will be in August this year and will be part of the Summer Sundays on Spring Street event series. More information to follow

A LETTER FROM THE DEAN

Dear People of Trinity,

Trinity Cathedral is a beacon of faith in Little Rock and a source of vitality and strength for the Episcopal Church throughout Arkansas. Our worship is beautiful, welcoming, and warm. Within one community, we value and embody diversity in people, perspectives and ideas. With flair, we celebrate the arts. With sleeves-rolled-up commitment, we engage the world. Young and old, we pray, we think, we serve and in doing so our minds are tuned to faith in Christ, our memories to hope, and our attitudes to love.

Over the past year we have been engaged in cathedral wide strategic planning process. It began with careful listening concerning what we value in our church. “Beautiful worship,” “caring community,” “spiritual formation,” “artistic expression,” “community engagement,” and “cathedral identity” were answers that emerged, each one fleshed out and colored in.

For each of those six values, we now have set a goal. For each goal, we have developed plans. For example, our fourth core value is described as follows:

Artistic expression, through glorious music, inspiring spaces, colorful and fragrant flourishes, and memorable performances. For that value, we have set this goal:

Goal: Create and publicize to the parish, neighborhood, and ECEP parents, an innovative and festive summer Sunday afternoon worship, music, and food festival—beginning this June.

From that, the idea of “Summer Sundays on Spring Street” was born, fleshed out, and colored in with prayers, bluegrass music, deviled eggs, watermelon, and contemplative experiences with children and dogs warmly included in the mix. [Camp Mitchell alums will come to town, guitars in hand, along with Three-on-a-String for our culminating event.] Please look at the schedule, choose some afternoons to come, and bring a friend!

That is only one example. A synopsis of each value and goal is included with this letter. What we ask of you is your participation! It is you who will “flesh out and color in” these values. It is you who provide the warmth and welcome, and the sleeves-rolled-up engagement with the world. You will make these summer afternoons friendly and festive. Come this fall, you will find a host of pathways open for your own or your children’s spiritual enrichment—“minds tuned to faith, memories to hope, and attitudes to love.” Look for a path that seems promising to you, and take a stroll.

In all this ways that opening description will become more and more deeply who we are.

For the Cathedral,

Chris

To learn more about our Strategic Plan come to the Dean’s Class on June 10th in Morrison Hall. We will discuss, “What’s Next at Trinity? Our Goals and Strategies to Reach Them.”

SYNOPSIS OF VALUES AND GOALS

CORE VALUE #1

Beautiful worship in the Anglican tradition, in an atmosphere that feels welcoming and warm.

Goal: Increase average Sunday attendance to 350 by end of 2019, with special emphasis on young adults, including families with children.

Note: Fulfillment of our other goals will bear strongly on success with this one. It might be taken as a measure of their success. Specific strategies for the attraction of people to church will also be developed in due course.

CORE VALUE #2

Caring community that values diverse people, perspectives and ideas.

Goal: Creatively foster interpersonal connections that strengthen feelings of community to such an extent that Sunday attendance becomes second nature.

Note: Community building is a concern for special emphasis. A broad-based task group will start the process by brainstorming and implementing ways to help this happen.

CORE VALUE #3

Spiritual formation for all ages: lively programs in attractive spaces that open pathways deeper into faith, hope, and love through common study, prayer, and action.

Goal: For both adults and children our goals are to foster awareness of and involvement in spiritually enriching activities.

Note: By August 12, we will produce two booklets, one each for adults and children, showing a rich variety of activities and guiding them into full participation.

CORE VALUE #4

Artistic expression, through glorious music, inspiring spaces, colorful and fragrant flourishes, and memorable performances.

Goal: Create and publicize to the parish, neighborhood, and ECEP parents, an innovative and festive summer Sunday afternoon worship, music, and food festival—beginning this June.

Note: Summer Sundays on Spring Street kicks off June 10!

CORE VALUE #5

Community Engagement: strong partnerships with other groups and churches for the vitality of Little Rock and the common good.

Goal: Establish a Bethel-Trinity Covenant Steering Committee, charged to plan and implement four partnership activities over the next twelve months including: (1) a reading and discussion series; (2) a covenant renewal service that includes events at both sites and a walk between; (3) an activity purely for fun and fellowship; (4) as a service project: an activity or special event we jointly sponsor for the greater Little Rock Community. It could be a speaker, a symposium, or a musical performance.

Note: Committee will be announced by June 1st.

CORE VALUE #6

Cathedral identity, as a beacon of faith in Little Rock and source of vitality and strength in worship, community, formation, expression, and engagement for the Episcopal Church throughout Arkansas.

Goal: Establish a partnership between Diocese and Cathedral to explore together possibilities for more effective use of Cathedral House and other spaces on the block for purposes of Diocesan development and outreach.

Note: This goal pertains to facilities on campus, and points toward improvements in access, visibility, and . . . restrooms.

EYC News

As we end this school year, I look back and am filled with gratitude for the love, support, and exciting energy that surrounds this youth community here at the Cathedral. This year we played, served, shared meals, and deepened our relationships with each other. I'm thankful for the youth who showed up, willing to be a part of the EYC ministry; for the parents who drove carpool, provided dinner, and added EYC as a priority in the busy schedules of their families; and for the Trinity community who openly shared this space with its younger generation.

Our regular Sunday night meeting times will commence again in September. Until then I hope you'll join us for our different EYC events in the summer: Summer Sundays on Spring Street, Camp, and other events to be announced. There are still several ways for youth to earn community service hours in the summer: acolyting, volunteering with Trinity Tuesdays at St. Francis House, or being a Youth Counselor for Cathedral Camp (to name a few...Anyone want to help me wash the van?!). You can also stay in touch via our Facebook and Instagram pages (@trinitycathedraleyc) to see what's going on this summer. Interested in hearing more about the youth at Trinity? Contact ogoza@trinitylittlerock.org.

With gratitude!

NOTES FROM THE BELL TOWER

We're excited to report that members of the Trinity Cathedral Ringing Society won the prized Wendell Blake Striking Competition during the Seven Towers Festival held April 19-22 at First Presbyterian Church in Texarkana, Ark.

Our team consisted of Porter Brownlee, Maggie Dearnley, Dick Dearnley, Scott Stricker and Scott Whitfield, all of Little Rock, and Dave Wooler of St. Charles, Mo. (who, despite his locale, is a bona fide member of the Trinity Ringing Society). Noted British ringer and recent MBE recipient Alan Regin of London, England, judged the contest.

The Seven Towers Festival has been an annual event for more than 20 years, and takes its name from the seven bell towers located in churches in Little Rock, Houston, Dallas, Shreveport and Texarkana.

The Trinity team competed against ringers from St. Mark's Episcopal Cathedral in Shreveport, La., and a combined team from the bell towers at St. Paul's United Methodist Church, Palmer Memorial Episcopal Church and St. Thomas' Episcopal Church in Houston. Dallas' St. James Episcopal Church did not have a team in this year's contest.

The trophy is named for the late and much loved Wendell Blake, a longtime ringer at First Presbyterian Church in Texarkana. The Trinity team will keep the trophy, an engraved bell mounted on a wooden base, until the next striking competition at a future Seven Towers Festival.

Competitors in a striking competition are judged on the precision with which they ring their bells. The striking competition takes place at the festival only when there are enough teams present to compete.

Participants in this year's festival came from as far away as Philadelphia and Washington, D.C. The seven churches take turns hosting the festival. Trinity hosted the festival in 2017, and next year's festival will be in Shreveport.

Alan Regin, a longtime friend of Wendell and the individual responsible for the creation of the competition, usually judges the competition. He was named a Member of the Order of the British Empire (MBE) in Queen Elizabeth II's New Years honors list on January 1 for his services to campanology and its heritage. He received his honor from Prince Charles in a ceremony earlier this year at Buckingham Palace.

In other news, a group of 36 British ringers led by Andy Sutherland visited the Trinity bell tower on April 11 as part of a ringing tour of the eastern and southern United States. The ringers came from all parts of England.

The visitors rang the Trinity bells from 1:15 to 3:45 p.m. They first performed a quarter peal of Bristol Surprise Major, which took 48 minutes, and then were joined by Trinity ringers in open ringing.

We're pleased that ringing groups from England visit Trinity Cathedral sometimes several times a year, and two members of the most recent group had previously joined us. The group led by Sutherland came to Little Rock from Atlanta, Ga., after having toured the East Coast, and planned to conclude their tour by ringing at Trinity Cathedral in Miami, Fla.

Also, Trinity ringer Thomas Campbell will be leaving the group this summer when he and his wife move to Kansas City, Mo., to take new jobs there. Thomas has been ringing at Trinity for the past 18 months. His enthusiasm and faithful service on the bells will be greatly missed, and it is hoped that he will come back often to visit and ring at Trinity.

A group of 36 British ringers led by Andy Sutherland visited Trinity Cathedral's bell tower on April 11 to ring for approximately 2-1/2 hours, including both a quarter peal of Bristol Surprise Major and open ringing with Trinity ringers. The group was on a multi-city ringing tour of the eastern and southern United States.

This group rang for the 9:00 a.m. Sunday service on May 20th. They wore their red uniform shirts in observance of Pentecost. Those seen are: (Front row, left to right) Maggie Dearnley, Mary Wilson, Thomas Campbell, and Kay Shurgar. (Back row, left to right) Scott Whitfield, Porter Brownlee, Dick Dearnley, and Adam Whitfield.

MUSIC NEWS

The fabulous Hand Bell Choir of Trinity Episcopal Cathedral rang for worship twice during May. Under the skillful direction of Jason Pennington-Saugey, they added so much to the beauty of our worship. THANK YOU Hand Bell Choir for your dedication and hard work: Ellon, Jane, David, Dianne, Ginny, Caroline, Seth, Adam, Anna, Shelton, and Jeanette. And thank you Jason for leading and guiding them.

Children's Choirs are completed for the 2017-2018 school year and what a year it was! We ended our practices with an ice cream party for each choir. These children know how to sing but they also know how to eat ice cream. This year was made special by the acquisition and cataloging of their new choir robes. Once again Ms. Charliss (with Mr. Jason's help) took on a monumental task. She measured, fitted, washed, ironed, and hung them, he got the complex task of ordering the correct sizes. Did you notice how precious these children are when they put on those robes? It truly takes a village to have a successful Children's Choir program. Thanks so much to all of you who helped. The summer will be full of music activities for these children. If you or someone you know is interested in having a child participate in our Summer Musical Theatre Outreach Camp (it's free and open to the public.) Click on the events link in our web site. Our camp must be limited in size. Participation will be on a first come first served basis, so register now!

Another fun activity for children is a camp at Subiaco, Arkansas which was started 35 years ago by Trinity Episcopal Cathedral – affectionately known as “CHOIR CAMP”. This week-long event is held at the Benedictine Monastery which features an Olympic-sized swimming pool. The kids not only learn beautiful music, participate in arts and crafts, attend a dance and talent show, they participate in soccer and swimming and have a wonderful time. I will be assisting with this camp and if you need transportation help or have questions, please let me know.

Jason and I will be attending seminars and conventions this summer but this traveling will not keep us from being present for the Summer Sundays on Spring Street. I'm so looking forward to the fellowship and fun, getting to know you all better, and worshipping together. I hope you can make time in your summer to join us on Sundays at 5:00 p.m. for these activities.

Here's to safe traveling and a summer full of fellowship, worship, and praise.

BIG KIDS SUMMER ART CAMP

The BIG Kids Summer Program is designed to provide a low-key summer of fun social interactions and interesting topics of study to reinforce current levels of educational development. The program is for children who have completed K- 2nd grade. You are invited to join the BIG Kid Program at ECEP as we experience a variety of materials used in the process of creating art and some styles of well-known artists. To register contact Christy Poindexter at cpoindextor@trinitylittlerock.org or come by the front desk for a registration form.
